

William Hendrickson, FACHE
Vice President

CAREER SUMMARY

For 30 years, Bill has been a leader in creating financially sound community healthcare systems that provide high quality, cost-effective services. Bill joins Corazon with a consulting background focusing on healthcare strategy, physician and hospital integration, service line delivery (cardiovascular and orthopedics), and hospital design / construction / program management. Additionally, Bill has over 15 years of experience in executive-level positions for hospitals and health systems throughout the country, including the position of President and CEO at Saint Joseph HealthCare in Lexington, KY, and Good Samaritan Health System in Kearney, NE. With his diverse expertise and knowledge, Bill serves an integral role on the Corazon team.
